

Welcome Back Goolsby Greyhounds! Morning Carpool Lane Information

We have had great success with the morning carpool lane. This letter is to remind all, and to inform newcomers of the drop off procedures, so that it will remain successful for the new year.

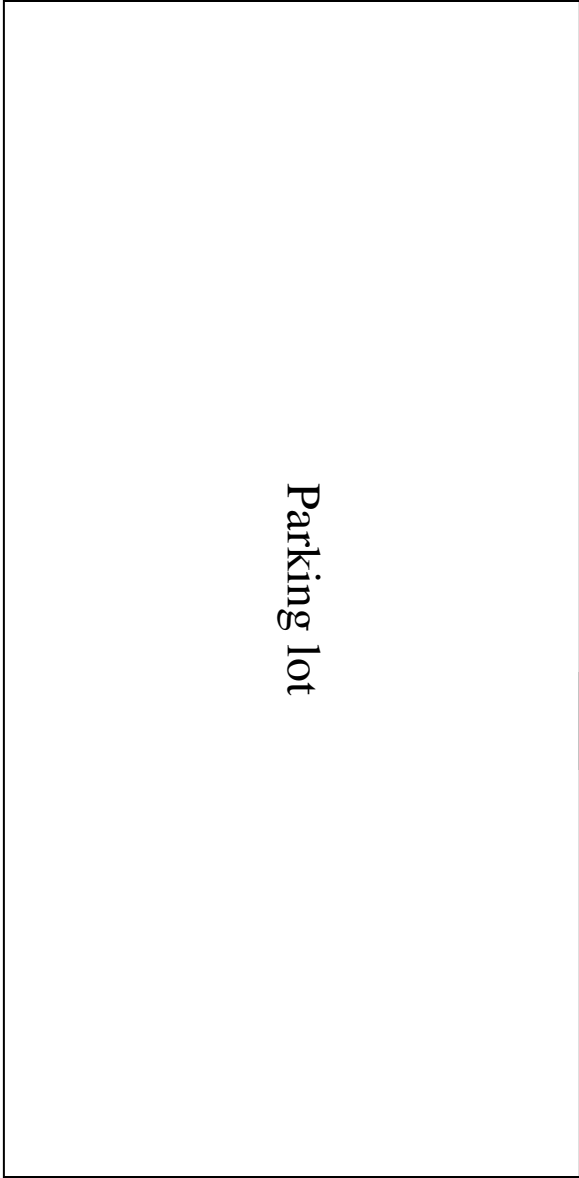

Thank you to all who have helped to make our mornings safer for our children.

- A. Please make sure you pull up to the small building to the left of the bike rack or the farthest possible point in the line. This allows for us to unload as many cars as possible at one time. There will be PLT members and staff to help if needed.
- B. Make sure your child(ren) are ready and prepared to get out so as not to delay the line-kisses and hugs at home, please; as well as back packs ready to go, shoes on and tied.
- C. Once stopped in the "unloading zone" make sure to let your child(ren) out wherever you may be stopped in the car line. If you want your child(ren) to get out at a specific place, the car line is not for you. (For example, if you have a Kindergartener, you may use the carpool lane, as long as you unload wherever you may be stopped).
- D. Ask everyone to get out on the ***passenger side of the vehicle***, if this is not possible please let us know and we will walk around your car and help. ***DO NOT put your car in park and get out***, this once again delays the entire line and can be a safety hazard. If something is dropped or a door is not closed please advise us and we will be happy to help.
- E. Should you have items in your trunk or the rear of your car please park in the parking lot and unload there.
- F. ***Please do not use the parking lot as a drop-off lane.*** You may park in the parking lot and walk your children across the crosswalk.

Make sure to advise anyone that may be driving your child to school of the procedures. Remember the gates are open by 8:30. Morning ceremony begins at 8:50.

If you would like to volunteer to help please contact our Traffic Coordinator Korrine Gentner at 592-7611 or bkgentner@msn.com or visit the PLT website at www.goolsbyplt.com
