

Putting the 'Fun' in Fundraising

Due to extreme budget cuts by the state, Goolsby relies on various fundraisers organized by the PLT throughout the school year to help offset the cost of much needed school equipment and supplies. Every penny raised always goes directly back into our school and classrooms so that our kids can continue to thrive with up-to-date technology. These sales and events are also a lot of fun for the kids and helps to build a stronger community.

We have many opportunities to receive FREE money for our school from items that we already purchase on a normal basis!

Box Tops For Education

Our school earns ten cents for every box top turned in. Box Tops are found on product brands such as Betty Crocker, Kleenex, Juicy Juice, Ziploc, Avery school supplies, Hamburger Helper, Hefty, Pillsbury, General Mills cereals & many more. Students receive various incentives throughout the year for turning in Box Tops. Ask your friends & family to clip & save them for you as well!

Fresh & Easy Neighborhood Market

Fresh & Easy has a program called \$hop For Schools, which will give our school \$1 for every \$20 increment (pretax) spent at any of their stores. All Fresh & Easy store receipts dated between Sept. 15th thru Dec. 31st of this year should be turned in by your child at any time. Again, ask friends and family to keep their receipts for you, from any store location, as student incentives are just around the corner! In addition to the receipt program, on Oct. 13th from 4pm-8pm we will have 'Greyhound Grocery Night'. During that time frame, Goolsby will receive a percentage of every single transaction made at the Fresh & Easy on the corner or DI & Ft. Apache. We will have Goolsby representatives at the event to help bag groceries and collect even more receipts. Last year Goolsby was given over \$2,800 in FREE money from this program!

Snips & Clips For Kids

Keep our kids looking their best, with a kickback for Goolsby to boot! Located in the Target Plaza on Grand Canyon Dr, Snips & Clips will donate a percentage of all services until Sept. 30th. Pick up the Snips & Clips flyer for this program at the front office as it must be filled out and brought to the salon.

Dinner Night Out

Throughout the year we will partner with local eateries where Goolsby will receive a percentage of sales for the night. Prize raffles accompany these events! Our 1st DNO announcement will be coming very soon!
